**About Us**

**Since September 23, 2004**

*Infini-tea* is a place to make you feel special. Today's pace is just too hectic, so leave it out there and come in and enjoy some relaxing moments in the company of others or just a little peace and quiet for yourself. Lorrie and Kenelm are our proprietors, with Kenelm as our master scone maker.\* Having experienced the fast paced corporate world, we know how important it is to have a haven to come to. All of our staff are well versed in teas and coffees and are willing to assist you in your selections.

We insist on giving excellent service and high quality food. We are high maintenance people ourselves and no detail is too small to make your visit with us a pleasant experience.

**If something is amiss, please be sure to tell us and we will try to correct it for you. We want your experience to be a good one.**

Our gourmet soups, daily specials, such as homemade breads and quiches, and our fabulous desserts will make it hard to select exactly what you will have. Leave room for the excellent dreamsicle cake – what a winner!

**Reservations are suggested, especially for “The Royal Treatment” and “Tea Lite” Service**

**Book Your Party**

Other days and hours are available for private bookings. It's like owning your own restaurant. Parties or showers can be booked in our off hour times and the place is yours. Sometimes free corkage with certain parties. Corporate parties or Family Reunions have become quite popular lately. We can accommodate up to 50 people for a special party such as a baby shower, wedding shower, birthday party or little girl's birthday party.

Ask about smaller parties that can be reserved during regular hours.

Larger Parties? **We can cater your event.** Just ask.

*Please Note: Gratuity will be added on parties of 6 or more.*

**\*The story behind our “Winslow Scones”**

Our master scone maker is Kenelm Winslow Scheske. His ancestors are Kenelm and Edward Winslow, who came over on the Mayflower. In fact, there is a Winslow house on Plymouth Rock. It is reported that Edward was the first elected governor of the Colonies. Ken's grandmother was a Daughter of the American Revolution. So there is quite a history behind our scones.
